

Credentials for Oliver Building Solutions, Inc.

Established in 1991, Oliver Building Solutions, Inc, formerly known as PolySteel Southeast Distributors, is the longest operating Insulated Concrete Form business in the Southeastern United States.

In 1999, Will Oliver participated in the purchase of American PolySteel, LLC from Berrenberg Enterprises, Inc. of Albuquerque, NM and served on its Board of Directors from 2000 to 2006.

Oliver Building Solutions has sold PolySteel Forms internationally, arranged for container shipping and provided training for overseas crews in classroom settings and Will has traveled internationally for field training on actual projects.

In 2000, Will co-founded PolySteel Regional Training Seminars, which provided formal classroom training for those wishing to learn how to build with the forms.

Will Oliver is a certified National Home Builders Association trainer for Insulated Concrete Forms and regularly provides American Institute of Architects Continuing Education for Insulated Concrete Forms.

Oliver Building Solutions has been a perennial top 10 performer in sales and was the number 1 distributor in sales for American PolySteel for the years 2004, 2006, 2007, & 2008, and cumulatively is the lifetime number 1 distributor in volume sales for American PolySteel's 30th and final year in business, prior to its merger with Arxx Corp.

Oliver Building Solutions has won Project of the Year for both commercial and residential projects.

Oliver Building Solutions has been at its current location since 1996 and maintain in our warehouse forms and related supporting products. Regular office hours are M-F from 8 to 5. Knowledgeable and experienced ICF sales, support and customer service are available. We provide in-house delivery services and coordinate truck load and less than truck load shipping.

Will Oliver is well versed in Building Code issues as they pertain to ICF's and is one of the most knowledgeable concerning termites and EPS.

PolySteel Southeast Distributors provided architectural design support, marketing, and construction of 3 major promotion show homes in Atlanta including the 1999 Amazing Innovations Show Home and for the International Builders Show Homes in 2000 and 2001. In doing so, Will coordinated with the Portland Cement and Ready Mix Concrete Associations representatives.

To date PolySteel Southeast Distributors/Oliver Building Solutions has sold 3,000,000 sq ft of PolySteel and ICF products for both residential and commercial applications.

Will Oliver has been an information source for PolySteel and Insulated Concrete Forms associates and has been consulted on books and publications concerning ICF construction. Will has access to suppliers, colleagues and professionals associated with Concrete and Insulated Concrete Forms both nationally and abroad.

Will has been filmed for news broadcasts and was a feature on the Green Planet network, Renovation Nation program on Insulated Concrete Forms.
